

***Fundraising Letter #2***

Dear Friends and Family,

I am so excited that our church, Grace Assembly of God, has given its people the opportunity to participate next June, 2006 in a missions endeavor in the country of El Salvador.

I have sensed for a long time that God was asking me to use my nursing skills for something for His Kingdom. I now have that opportunity to go and minister to the people of El Salvador through free medical clinics and evangelistic work at the King's Castle International Training Center. The team will also be working with orphanages, in schools, and with local congregations as they try to have an outreach to their towns.

You can take part in reaching the people of El Salvador with the message of Jesus Christ by assisting me to get there. I would like for you to prayerfully consider helping me go by providing a financial gift. The total cost of the mission's trip will be \$999.00.

To help with this total cost, would you be willing to invest \$25, \$50, \$100, \$200 or any amount to help me be a part of this vital outreach to the people of El Salvador?

So that all gifts will be tax-deductible, I have arranged for Grace Assembly of God to accept contributions for the mission's trip. They, in turn will send a check covering my cost of the trip to the travel agency. Checks should be made payable to Grace Assembly of God. Please include my name on a separate piece of paper with the church. You send your contribution to: 6822 North U.S. 31, New Whiteland, IN 46184.

Above all else, I truly desire your prayers, which will be a great encouragement. I am believing that we are going to see God move in miraculous ways, for which I will truly grateful to be a part.

Upon my return, I will give you a full report of the trip.

Gratefully,

Jane Doe
